1	The estimated annual spend on this line item is \$200,000. Please enter a Discount off Catalog Price % in the Comments section below. Take that discount and multiply it by \$200,000 and enter the resulting value in the lump sum price on the bid response. For example, if Bidder enters 10% discount in the Comment Section, the Bidder will perform the calculation - \$200,000 x .90 - and the resulting amount of \$180,000 will be the amount you will enter as the lump sum bid for this item.	1	LS	LS
