Stephen J. Krajcsik  
Solid Waste Operations Administrator  
Anne Arundel County Department of Public Works  
389 Burns Crossing Road  
Severn, Maryland 21144

Dear Stephen J. Krajcsik:

On May 23, 2024, the Maryland Department of the Environment, Solid Waste Program (MDE/SWP) held a Public Informational Meeting for the proposed Millersville Municipal Landfill and Resource Recovery Facility – Cell 9 Vertical Expansion, as required under §§ 1-601 through 1-603 of the Environment Article, Annotated Code of Maryland. The landfill is located at 389 Burns Crossing Road, Severn, Maryland.

The information submitted for the Phase I Permit Application satisfies the minimum requirements under the Code of Maryland Regulations (COMAR) 26.04.07.06. The Phase I Permit Application for the proposed Millersville Municipal Landfill and Resource Recovery Facility – Cell 9 Vertical Expansion is now considered complete. You may proceed with the preparation and submission of the Phase II Geology and Hydrology Report as specified under COMAR 26.04.07.07.

Please submit nine (9) hard copies and a searchable PDF electronic copy of the Phase II Geology and Hydrology Report. All submitted plans must be neatly folded and inserted into plastic covers so that the title of each plan can be read in place and incorporated into a 3-ring binder fitting paper sized 8.5 by 11 inches. Please refer to document control number **2023-WMF-0240A**, when contacting us regarding your application.

If you have any questions regarding this letter, please contact Allison Marong at (410) 537-3315 or [allison.marong@maryland.gov](mailto:allison.marong@maryland.gov).

Sincerely,

Andrew Grenzer, Chief  
Solid Waste Operations Division
