Dear Owner/Occupant,

The Maryland Department of the Environment (MDE) will hold an Informational Meeting regarding the Anne Arundel County Department of Public Works' application for a Vertical Expansion of the existing Cell 9 disposal area at the Millersville Landfill. The Informational Meeting will be held at the Arundel High School, 1001 Annapolis Road, Gambrills, MD 21054 on Thursday, May 23, 2024, at 5:30 p.m. The purpose of the meeting is to provide an opportunity for the public to obtain information about the permit application and the MDE review process. The meeting notice is attached.

In advance of the meeting, interested parties obtain more project information, including the permit application, on the county's website at <https://www.aacounty.org/public-works/news/cell-9-volume-enhancements>. A hard copy of the permit application and supporting documents is available at the Odenton Branch of the Anne Arundel County Public Library located at 1325 Annapolis Road, Odenton, MD 21113 as well.

Written comments regarding the application may be submitted to Tyler Abbott, Director, Land and Materials Administration, Maryland Department of the Environment, 1800 Washington Boulevard, Suite 610, Baltimore, MD 21230.

Sincerely,

A handwritten signature in black ink that reads "Karen Henry".

Karen Henry, Director of Public Works

Enclosure (1)
Maryland Department of the Environment Notice of Application Received and Informational Meeting

**Maryland Department of the Environment
Land and Materials Administration**

Notice of Application Received and Informational Meeting

In accordance with Sections 1-601, 1-602, and 1-603 of the Environment Article, Annotated Code of Maryland, the Maryland Department of the Environment, Solid Waste Program (MDE/SWP) is presently reviewing a Refuse Disposal Permit Application submitted by Anne Arundel County Department of Public Works for the proposed vertical expansion of the existing Cell 9 at the Millersville Landfill and Resource Recovery Facility located at 389 Burns Crossing Road, Severn, in Anne Arundel County, Maryland. The landfill is a non-hazardous solid waste acceptance facility that accepts residential waste, commercial waste, bulky waste, land clearing debris, scrap tires, construction and demolition debris, and recyclables.

Notice is given that MDE/SWP will hold an Informational Meeting regarding this application at the Arundel High School located at 1001 Annapolis Road, Gambrills, Maryland 21054 on Thursday, May 23, 2024, at 5:30 p.m. The purpose of the Informational Meeting is to provide an opportunity to the public to obtain information about the permit application and MDE/SWP's review process. Representatives for the applicant and MDE/SWP will be available to answer specific questions.

Upon prior request, MDE/SWP will provide an interpreter for the deaf or hearing-impaired persons. The permit application and supporting documents will be available for public review at the Odenton Branch of the Anne Arundel County Public Library located at 1325 Annapolis Road, Odenton, Maryland 21113 and at MDE/SWP by appointment after May 7, 2024 and on the MDE/SWP website:

<https://mde.maryland.gov/programs/LAND/SolidWaste/Pages/index.aspx>.

Written comments regarding the application may be submitted to Tyler Abbott, Director, Land and Materials Administration, Maryland Department of the Environment, 1800 Washington Boulevard, Suite 610, Baltimore, Maryland 21230.

For further information regarding this notice, to schedule an appointment to review the application, or to request an interpreter, please contact Allison Marong at (410) 537-3315 or

allison.marong@maryland.gov.
